# An Introduction

---

Once again we desire to thank our customers and friends for the liberal patronage they have given us in the past 40 years and we can assure them that we will, at all times, give a reasonable service in both price and quality.

Every year we are learning more and more about the things we make and what the public want. We find it quite easy to follow written specifications and drawings pertaining to our manufacture and will be glad to quote prices on anything not listed or any change from our descriptions.

We pay freight to your station only when the transportation charges do not exceed \$2.00 on one set Harness or one Saddle. When transportation is in excess of this amount for above we will make a \$2.00 allowance.

## REGARDING COWBOY BOOTS

We have greatly improved the style and Lasts. We are using only first-class leather and making a boot to fit and wear well. We also make English riding boots for ladies and men.

Our chief aim is to make good reliable Harness and Saddles at a moderate price. Our prices are equal to wholesale, but our goods have the advantage of being better made as we employ no Piece Workers. We find that in this way we get better results, more care and attention being given to each part turned out.

As we make many articles in leather, canvass and web, not illustrated, tell us your requirements. We aim to please.

Owing to war conditions we reserve the right to cancel prices without notice.

We will duplicate any saddle in Hamleys, Porters, or any other catalogue at similar prices.

**PLEASE READ CAREFULLY** the descriptions in our catalogue as our illustrations are not perfect. We use very small illustration in order to get a fair amount in a small space. The illustrations only show the style and shape, the printed matter is more correct.

## No. 410

## Price

**\$99.00**

This is a neat design of Saddle on the famous "Calgary Red" tree with 15-in bulge and good wide back cantle with a medium dish. A perfect low sitting saddle for breaking bronchos or roping on the range. The front bulge is so shaped as to allow the leg to pass up the neck of horse without obstruction for high scratching. It is made of Franks' best California skirting and will wear for many years. The tree is extra strong and a perfect fit. The seat, side and front jockeys are in one piece. This type of seat is unquestionably the best. Front is neatly laced. Fenders and stirrup leathers in one piece full size. Rawhide braided or wrapped horn to order. Skirts 28-in x 14½-in., with rounded corners, lined with best California wool skin, fitted with easy rig rings. 1¾-in. latigoes, fishcord cincha with wool lined safes, and first class stirrups. The hand flowered stamped border with brown leather binding and buttons, makes a very pretty saddle. We highly recommend this saddle for all-round work. Weight about 35 pounds.

This Saddle is built on the Form Fitter Tree, the shape of this tree lends itself remarkably well to the shape of the Rider, having a very wide well dishd Cantle. The front is exceptionally well shaped, allowing the thigh to rest easily under front swell. The seat being properly balanced makes an exceptional saddle both for comfort and strength. The hand stamping is an unusually fine example of the Acorn pattern, the artistically decorated seat and front jockeys are one piece, the stirrup leathers are 3-inch, fenders and skirts are large, horn rawhide braided. Fitted with our never-slip easy rig, best fishcord cincha and any first class stirrup desired.

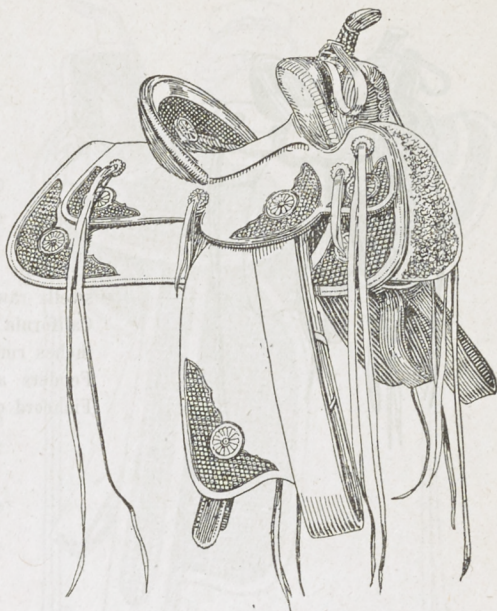

## No. 411

Price

**\$96.00**

This Saddle is built on the well known "Form Fitter" tree with Horn set well ahead, rawhide braided or wrapped, to order. The front is shaped perfectly for the thighs to come close up on the tree, the cantle is rawhide bound, very wide and extra well dished. The front has a 15-in. swell, seat any length desired. The design being a very fine example of hand basket stamping executed on Franks' best grade California skirting. 29½-in. x 14½-in. skirts, seat, side and front, jockeys in one piece, 3-in. stirrup leathers, 19-in. x 9-in. fenders, 1¾-in. latigoes, made ¾ rig laced rigging with never slip easy attachment, cotton or fishcord cincha with wool lined safes and any first class stirrups.

# Directions for Ordering

---

Two order forms are enclosed at the back of each catalogue. If you require further copies we will be pleased to supply them on request, but should you not have a regular form, make your order out on any plain sheet of paper, stating as clearly as possible your requirements. On the back of each order form will be found self measurement form to assist in making out your order for Cowboy Boots or Chapps.

WRITE YOUR NAME PLAINLY, also the name of your Post Office and nearest Railway Station or Express Office.

For the protection of our customers we Insure all parcels sent by parcel post as this course guarantees you against loss of parcels in transit. The charge for this service is 3c. for every \$10.00.

Give name and number of article as shown in the catalogue. It is unnecessary to send page or part of page from catalogue.

We will make any class of saddle required.

We will be pleased to supply buckles, rings, snaps, etc., as we stock all kinds of harness hardware, also driving whips and any parts of harness or saddles.

## HELPS FOR ORDERING SADDLES

When ordering a Saddle don't fail to state the length of tree required, and height and weight of rider. If a wider swell than the regular is wanted, add \$2.00 for each additional inch. For Saddles over 16 inches in length, add \$3.00.

Nickle or Brass Horn will be supplied to order, price \$3.50 extra.

Black or Cherry Red Saddles \$5.00 extra.

We put initials or brands on any Saddle without extra charge.

We will buy and pay cash for used stock saddles and English saddles.

We now make Roping Saddles with either the old Mexican Horn or the Duck Bill Horn, and also with the Texas Flat Roll on Cantle, at \$8.00 extra.
